party of the first part, hereinafter referred to as "the Village", and the Town of Palmyra, a municipal corporation, situate in the County of Wayne and State of New York, party of the second part, hereinafter referred to as "the Town",

Whereas, the general area of the Town of Palmyra surrounding the Village of Palmyra has been substantially developed over the past several years and is being gradually built up with substantial residences, for which there is no supply of water except water stored in provate cisterns and water procured from wells, which is of uncertain quantity and quality; and

Whereas, pursuant to the request of the property owners and resident on Maple Avenue, the Town of Palmyra has duly established a water district designated as "Maple Avenue Water District"; and

Whereas, the Town of Palmyra has competed the construction of the water distribution system including hydrants in the above water system; and

Whereas, the Village of Palmyra has a surplus of potable water which it is willing to sell for the use of said water district, and said Village also has the necessary employees, equipment and facilities to operate the water system in said district which is too small for practical operation by the district,

NOW, THEREFORE, IT IS MUTUALLY COVENANTED AND AGREED AS follows:

First. The Village hereby agrees to operate said water system in said Maple Avenue Water District for the Town from July 1st, 1951 to July 1st, 1956, and to furnish sufficient potable water under pressure to provide all residents of the district with an adequate supply of water for domestic and agricultural purposes and fire protection, and to furnish the necessary labor and materials to make all installations witin the public highway at the cost of the labor and material required, read and service all meters, bill and collect all water bills for waterservice, and repair and service the water line now laid and all equipment within the district and any additional water lines and extensions of the presnt line within the bounds of any public highway in said water district which may be made during the term of this contract, the Town to make at the expense of the said water district any extensions to the system during the term of the agreement, but no extension shall go beyond the boundaries of said water district, nor shall water service be proveded or furnished beyond the boundaries of the present water district.

Second. The Town agrees that as compensation for the furnishing of water and services to said water district as hereinbefore provided for, that the Village shall retain all revenues collected by it from the consumers in said water district during the term of this agreement, and all delinquent water bills incurred by consumers, if and when collected, and which said reveneus the Village agrees to accept as its compensation for supplying water to the consumers in said district and rendering the services hereinbefore provided for.

Third. The ordinances, rules and regulations heretofore adopted by the Town of Palmyra for the operation of its several water districts shall apply to and govern the operation of the water district covered by this agreement.

Fourth. The water rates to be paid by the consumers in said water district shall be one and three-fourths times the established water rates of the Village of Palmyra covering the sale of water to consumers within the Village of Palmyra for simialr quantities of water, and in the event the Village of Palmyra shall increase its established water rates during the term of this agreement, the rates charged by the Village of Palmyra to consumers in said water district shall be increased to one and three-fourths times
