

Palmyra's Halloween Celebrations

Saturday, October 23rd

2-4pm

Enjoy Trick or Treating on Main St. from the "Four Churches" in the Village of Palmyra to the flag pole! Please look for the bright orange signs in the windows to find the participating merchants.

Also, visit the Palmyra Community Library's (Main St) Haunted Library - Enter if you dare! You will be led to the dungeon where you may run into some "old" friends. *

Lions Club will be doing some trick or treating of their own, and collecting your old eye glasses...please drop them outside the Park & Club Rooms (next to park) when you pick up your cider and donuts!

The Village of Palmyra Police Department will be on hand, but we do ask that an adult accompany any children for this event to ensure our children's safety!
